How to get there (see map and directions below)

From Eindhoven

Take the A67 to Venlo. Leave the highway at junction 40 (Velden) immediately after crossing the Maas river. Turn right at the traffic lights at the bottom of the exit road. Turn right again at the first traffic lights onto Van der Grintenstraat. Go past Océ Research & Development to the end of the road and turn left onto St. Urbanusweg. The Océ headquarters is on the right after 300 meters just after the pedestrian bridge. Please refer to the map of the Océ site for the location of other departments.

From Nijmegen

Take the A73 towards Venlo. Just before Venlo turn onto the A67 in the direction of Duisburg/Venlo-Noord. Leave the highway at the first junction (40, Velden) immediately after crossing the Maas river. Turn right at the traffic lights at the bottom of the exit road. Turn right again at the first traffic lights onto Van der Grintenstraat. Go past Océ Research & Development to the end of the road and turn left onto St. Urbanusweg. The Océ headquarters is on the right after 300 meters just after the pedestrian bridge. Please refer to the map of the Océ site for the location of other departments.

From Duisburg

Take Autobahn 40 to Venlo. Cross the border and leave the highway at the second junction (40, Velden). Turn left at the traffic lights at the bottom of the exit road. Turn right at the second set of traffic lights onto Van der Grintenstraat. Go past Océ Research & Development to the end of the road and turn left onto St. Urbanusweg. The Océ headquarters is on the right after 300 meters just after the pedestrian bridge. Please refer to the map of the Océ site for the location of other departments.

From Köln (Cologne) / Düsseldorf

Take Autobahn 61 to Venlo. Cross the border and take the first exit right on the roundabout at the end of the highway. Follow the N271 for some way until you come down into Venlo. Cross the large roundabout (second exit). Turn left at the third set of traffic lights onto Van der Grintenstraat. At the end of the road turn left onto St. Urbanusweg. The Océ headquarters is on the right after 200 meters just after the pedestrian bridge. Please refer to the map of the Océ site for the location of other departments.

From Maastricht

Take the N273 to Venlo. Go past Venlo-West and Blerick. At the start of the A73 turn onto the A67 in the direction of Duisburg/Venlo-Noord. Leave the highway at the first junction (40, Velden) immediately after crossing the Maas river. Turn right at the traffic lights at the bottom of the exit road. Turn right again at the first traffic lights onto Van der Grintenstraat. Go past Océ Research & Development to the end of the road and turn left onto St. Urbanusweg. The Océ headquarters is on the right after 300 meters just after the pedestrian bridge.

Please refer to the map of the Océ site on the next page for the location of other departments.
